

FISCAL NOTE

SB 1692 - HB 1437

March 10, 1997

SUMMARY OF BILL: Provides that the bylaws of the board of directors of watershed districts shall establish appointment and reappointment procedures, along with fair representation requirements, and that a public hearing shall be held on the bylaws or any amendments to them. Also provides that notice of such public hearings shall be placed in local newspapers of general circulation.

ESTIMATED FISCAL IMPACT:

Increase Local Govt. Expenditures - Not Significant

The estimate assumes that the cost of publishing hearing notices in the newspapers for those watershed districts which have no bylaws or wish to amend them would be not significant.
